Dénomination du DU : Diplôme Étudiant-Entrepreneur

Date d'approbation par le Conseil de composante : 6/05/2024

En cas de modifications, les préciser ainsi que leur motifs (*obligatoire pour les changements de tarif ; en cas de changement de maquette joindre une version à jour*) :

Le Diplôme Étudiant-Entrepreneur (D2E) est un dispositif national lancé, en parallèle au Statut National Étudiant-Entrepreneur (SNEE), en 2014 via le réseau des Pepite.

Dans un souci d'harmoniser les offres D2E, un catalogue de blocs de compétence a été identifié et qui est éligible à France Compétences et au RNCP. Dans cette perspective, nous souhaitons faire évoluer notre offre afin de mieux répondre à ces exigences et pour compléter notre programme.

Préalablement, nous avons proposé quatre ateliers, le coaching et complété par des conférences de Pepite-Etena. Or il s'avère qu'il faut davantage formaliser l'accompagnement proposé en fonction de la progression du projet de chaque étudiant et structurer notre cursus.

Ainsi, en collaboration avec Pepite-Etena, nous offrirons un cursus complet avec cinq modules pour accompagner nos étudiants pendant la totalité du processus de création (Fondamentaux (comptabilité, droit et PI) 12HCM ; Gestion de projets 12HCM ; Financer son projet 12HCM ; Communiquer et promouvoir son projet 12HCM ; Commercial et marketing 20HCM). Ces workshops sont complétés par un coaching collectif mensuel pour un total de 32HCM.

Dans le cas d'un partenariat avec d'autres universités, préciser quelle université porte le DIU, et joindre obligatoirement une copie de la convention :

Dans le cas d'autres partenariats, le préciser et joindre une copie de la convention :

Effectif minimal non exonéré permettant l'équilibre budgétaire du DU/DIU : 7

<b>Résultat (dépenses - recettes)</b>		<b>-890€</b>	

\*A préciser : Financement des cours par l'Unistra à hauteur de 96htd

## Commentaire du résultat :

Le nombre d'heures est limité à 96htd, sachant que l'Unistra finance les cours jusqu'à hauteur de 96HTD.

Les recettes liées à 1 inscription en FC ne sont pas assurées, car l'inscription est prise en charge par POLE EMPLOI, et le SFC ne pourra facturer qu'à l'issue de l'année ; mais le modèle de prélèvement de l'Unistra et du SFC impliquera un déficit à la charge de la FSEG (prélèvements supérieurs aux recettes) sur la partie FC, et éventuellement par répercussion sur l'ensemble de la formation.

Suivi de cohortes et résultats de l'évaluation de la formation et des enseignements (indiquer les données de poursuites d'études, d'insertion professionnelle, de progression professionnelle des étudiants) :

L'évaluation de résultats dans le domaine de la création d'entreprise n'est pas évidente ; elle n'est pas mesurable en termes d'insertion professionnelle ou par la simple création d'un numéro Siret. La création d'une entreprise ne se fait non plus en un an, mais nous pouvons aider dans la réflexion et le démarrage de ce projet et rester disponible pour répondre aux questions par la suite.

Nos étudiants ne cherchent pas à poursuivre leurs études, à s'insérer professionnellement ou une autre progression professionnelle classique. Leur objectif est de créer leur entreprise. Par conséquent, notre accompagnement et notre pédagogie doivent y être adaptées et leur permettre de réaliser ce projet. Même la non-crédation est un apprentissage très précieux pour eux ; souvent ils retentent avec un autre projet et nombreux sont celles et ceux qui en tirent profit pour une réorientation professionnelle et feront bénéficier des organisations privées et publiques de leur savoir.

Observations complémentaires que vous souhaitez porter à la connaissance de la CFVU :

*Le DU Magistère Génie Economique est une formation d'excellence sélective proposée par la FSEG à certains étudiants entrants en Licence 3 et ayant, en cas de réussite, accès automatiquement en M1-Analyse et Politiques Economiques ou AGR (cf. MECC). Il s'agit donc d'un axe stratégique de la Faculté (cf. dossier de la création du DU) qui assure donc son financement sur ses ressources propres.*

RENOUVELLEMENT DEMANDE POUR : **2024 - 2025**

## RENOUVELLEMENT DE FORMATION NON DIPLOMANTE (non géré par le SFC)

SANS modification  AVEC modification

Composante : FSEG

Dénomination du DU : *formation non diplômante de **préparation à l'agrégation externe et interne de Sciences économiques et sociales***

Date d'approbation par le Conseil de composante :

En cas de modifications, les préciser ainsi que leur motifs (*obligatoire pour les changements de tarif ; en cas de changement de maquette joindre une version à jour*) :

Modification du volume total de formation non adossée à un master : passage de 457 htd à 460 htd, afin d'inclure la participation du collègue de mathématiques aux oraux blancs (participation qui n'était pas budgétée auparavant).  
Adaptation du nombre d'heures mutualisées avec la faculté de Sciences sociales, le cours en question passant de 36htd à 48htd.  
Adaptation du nombre d'heures mutualisées avec le Master MEEF CAPES qui passe de 364htd à 391,5htd pour s'adapter au programme des concours, dans le cadre de la NOF.

Dans le cas d'un partenariat avec d'autres universités, préciser quelle université porte le DIU, et joindre obligatoirement une copie de la convention : **Non pertinent**

Dans le cas d'autres partenariats, le préciser et joindre une copie de la convention : **Rectorat**

*Nb : l'existence d'une convention, avec une université ou un autre partenaire, est très importante pour donner une base juridique qui sécurise la formation des étudiants, le paiement des intervenants et des frais encourus.*

*Cela permet aussi d'inscrire dans la mémoire de l'université une coopération au-delà des relations entre individus.*

*La vie de cette convention est suivie par le responsable administratif de votre composante, de sa rédaction et signature à l'impulsion de son renouvellement.*

*La DES peut vous aider dans la réflexion sur le texte et le contenu de l'accord.*

Effectif minimal non exonéré permettant l'équilibre budgétaire du DU/DIU : **Non pertinent (pas de droits spécifiques)**

*Nb : pour mémoire, la détermination de cet effectif, et sa publication, sont essentielles. D'une part, cela vous permet de ne pas créer un déficit qui relèverait de votre responsabilité, d'autre part cela permet aux candidats de savoir à l'avance que vous pouvez être amené à n'ouvrir la formation qu'à certaines conditions ou encore refuser leurs dossiers pour une raison de capacité d'accueil.*

*Il est nécessaire de tenir compte des éventuelles exonérations que vous souhaiteriez octroyer.*

*Le premier interlocuteur dans cette réflexion est votre responsable administratif de composante. La DES peut vous aider dans la réflexion budgétaire.*

Indiquer si le DU est adossé à une Licence ou un Master ? **Non**

Si oui, indiquer la licence et /ou le master concerné(s) : -

*Nb : le DU inclut-il des cours qui sont portés par une formation nationale ? Porte-t-il des enseignements qui sont proposés dans une formation nationale ? Ici, nous entendons « porter » par « assumer la responsabilité (pédagogique, scientifique, financière) ».*

391,5 HTD sont portées par le Master MEEF, parcours « Enseigner les sciences économiques et sociales (CAPES) » de l'INSPÉ.

48 HTD sont portées par Faculté des Sciences sociales (cours de L2 "Histoire de la pensée économique").

Indiquer le volume d'enseignement d'UE non adossé(s) à une licence ou à un master :

*NB : ne pas confondre avec les heures du DU mutualisées vers une licence ou un master)*

**460 HTD**
